

THE REPUBLIC OF CYPRUS
CYPRUS NATIONAL BIOETHICS COMMITTEE

05th of November 2008

ANNOUNCEMENT

Subject: Enforcement of fees for bioethical review of research protocols

With regards to the above subject, the Cyprus National Bioethics Committee (CNBC) wishes to inform all interested parties, that **from Monday 10th of November 2008**, it enforces its decision to impose fees for bioethical review of research protocols.

The fee amounts to €600 and is payable at the accounts department of the Ministry of Health (1 Prodromou and 17 Chilonos – Giorgion) to Mrs. Ioanna Tsaili.

The abovementioned fee will be paid as follows:

(A) An amount of €85 which is the **advance fee for the bioethical review assessment**. The receipt should be submitted to the Secretariat of CNBC at **the date of the submission of the research proposal for bioethical review**.

This advance fee is non refundable.

(B) After the completion of the bioethical review of the research proposal, the CNBC's Secretariat will notify the principal investigator for the completion of the bioethical review of his research proposal and will invite him **to proceed with the payment of the balance of the fee €515 at the accounts department of the Ministry of Health**. The relevant receipt must be submitted to the CNBC's Secretariat for the receipt of the decision issued by the Review Bioethics Committee.
